## Remarks and Abbreviations

The following remarks and abbreviations may appear throughout this parts catalog. Refer to the following table for translations.

| Codes used in "Remarks" column | English                                               |
|--------------------------------|-------------------------------------------------------|
| APPL                           | This application only                                 |
| AR                             | As required                                           |
| ASSY                           | Complete assembly                                     |
| CAT                            | Category                                              |
| CNLA                           | Complete no longer available (order individual parts) |
| CTL                            | Cut To Length                                         |
| FI                             | Field installation kit                                |
| FOR                            | Use with                                              |
| FRONT                          | Front                                                 |
| ID                             | Inside diameter                                       |
| INCL KEYS                      | Including keys                                        |
| KIT                            | Kit                                                   |
| L                              | Number of links                                       |
| LGTH                           | Length                                                |
| LH                             | Left- hand                                            |
| LOW                            | Lower                                                 |
| MARKED                         | Marked                                                |
| MF                             | Make from                                             |
| NA                             | Not applicable                                        |
| NSEP                           | Not supplied separately                               |
| OD                             | Outside diameter                                      |
| OR                             | Or                                                    |
| ORD                            | Order                                                 |
| ORD W/                         | Also order                                            |
| PACKG                          | Packet of                                             |
| RATIO                          | Ratio                                                 |
| REAR                           | Rear                                                  |
| RH                             | Right- hand                                           |
| SUB                            | Replaced by                                           |
| SUB FOR                        | Substitutes for                                       |
| TK                             | Thickness                                             |
| UP                             | Upper                                                 |
| W/O                            | Without                                               |
| Z                              | Gear and sprocket teeth number                        |
